

Summer Break Time

A quarterly publication of the City of Chandler Community Services Department
Recreation ♦ Parks ♦ Library ♦ Center for the Arts

Registration for most summer classes and activities opens on May 8, 2004.

Greetings from Mayor Boyd W. Dunn

Hello,

I always enjoy this opportunity to contribute to the Break Time magazine. As residents of Chandler you probably already know what a great community we have, especially the many parks, pools, libraries, community centers, and other recreation amenities that help make Chandler such a great place to live, work, and play!

But if you are new to the area, you may be wondering how we make it through the long, hot summer months. So, I want to help you discover some of the ways you and your family can keep from melting in the sweltering sunshine.

Let's start with Chandler's five aquatic facilities, which are some of the coolest places in the Valley. Even if you have your own backyard pool, you should take a break from the routine and visit one of your community water parks, which have some amazing features (see page 62 for more details). Maybe we'll see each other this summer on the 112-foot, figure-eight slide at Desert Oasis Aquatic Center, or floating on the lazy river at the newly expanded Arrowhead Pool.

Next, I'd like to invite you to step out of the sun and to dive into a book or magazine at one of our four Chandler Public Libraries. They also have audio books, videos, and DVDs available for check out. And encourage your children to participate in the Kids Summer Reading Program. More information is on page 67.

Another popular summer event is the Free Intel Summer Concert Series at the Center for the Arts. You can see the full schedule of performances on page 66.

There are also opportunities for new adventures right around the corner. Why don't you move that weekly barbecue from your cozy backyard over to your spacious neighborhood park once in a while and enjoy a nice evening outside with your friends and neighbors?

And finally, watch for the "Hot Summer Fun" edition of the "Come Out & Play" show on Chandler's Cable Channel 11 in May and June. It offers an entertaining and informative look at some of the fun things to do around town.

As you can tell, there is always something going on in Chandler, and I hope you and your family will take full advantage of the opportunities provided by the employees of our Community Services Department. But no matter what you do this summer, make sure you drink plenty of water, wear sunscreen, and stay cool!

Registration

Completing the Registration Form

- ◆ Please submit a separate registration form for recreation classes and aquatics classes. Processing can be delayed if the same form is used for both recreation and aquatics registration.
- ◆ Please list a **1st, 2nd and 3rd class choice**. If only one class choice is listed and that class is full, the participant is placed on a waiting list.
- ◆ The registration form is an application. It does not ensure placement in a class. You will receive a confirmation receipt to verify enrollment in a class. If your class choices are full, the participant will be placed on a waiting list.

- ◆ If you are placed on a waiting list, you will be notified if an opening becomes available. Notification may come as late as 48 hours prior to the start of a class.

- ◆ Fees for each class must be paid at the time of registration. If paying by check, please write a separate check for each class. If only one check is submitted and only a portion of the payment is used (due to a full class or program cancellation), the remaining balance will be issued as a credit on account for future use.
- ◆ **Please fill out the registration form completely.** Enter the full name of participant, address, home and emergency phone numbers, and age. Please sign the form. If possible, please submit only one registration form per family.

TOUCH TONE FAQs

What is Touch Tone?

Touch Tone registration is a 16-line automated phone registration system available to residents 24 hours a day, seven days a week, except during the times the system will be taken down for maintenance (Wed., between 7-10 a.m.). The system can be accessed from any push button telephone!

How do I use Touch Tone?

Individuals wishing to use our new Touch Tone registration process must have an account in good standing, a customer I.D. and numeric password. Once these items have been established all you need to do is call (480) 782-2985 during our posted registration times and follow the voice prompted directions!

How do I request a customer I.D. and password?

The Community Services Department will accept inquiries for your customer I.D. and numeric password through May 5. Please call (480) 782-2640 or e-mail us at ParksAndRec@ci.chandler.az.us to set up an account Monday through Friday between 8 a.m. and 5 p.m. Please make sure you ask for each family member customer I.D. Only the payee will require a customer I.D. and numeric password.

What if I experience a busy signal?

We anticipate that on the first day, especially during the first couple of hours of registration, individuals may experience a busy signal. This means all 16-phone lines are currently busy - please continue to re-dial. We installed 16-lines to help eliminate the possibility of a busy signal, however a busy signal may still occur.

Do I need customer I.D. numbers for all family members?

Yes. For each person you would like to enroll in a class or program you will be asked to enter his or her customer I.D. when prompted. The system will not allow you to register a participant without their customer I.D. The payee is the only person who requires a numeric password.

Can I have an on-line account and Touch Tone account?

Yes. Customers who have an existing on-line account will need to log into the system and change their current password to a numeric password. It's that simple. You now have the option of on-line or Touch Tone available to you.

Do I need a credit card to use Touch Tone Registration?

Yes. In order to complete your Touch Tone transactions and confirm your enrollment you must pay by credit card. The City of Chandler currently accepts Visa and Master Card.

Why doesn't my registration work on Touch Tone?

There could be a number of reasons:

- ◆ The class is not open for registration at the time you are trying to register.
- ◆ Some classes require special registration data and therefore cannot be accessed via the Touch Tone system. Classes that are not available for Touch Tone will have a symbol with a crossed-out phone by the class description.
- ◆ You do not have a customer I.D. and password.
- ◆ You or your child does not meet the minimum age requirements for the class.

Do I need to sign a liability waiver?

Yes. There will be a liability waiver attached to your registration receipt that will be mailed to you. It is your responsibility to sign the waiver, and turn it in to the instructor on the first day of class.

Will I receive a confirmation receipt?

Yes. The Community Services Department will mail you a confirmation receipt. You will be given a receipt number when completing your transaction(s). Please keep this number until you receive your confirmation in the mail.

ON-LINE REGISTRATION FAQs

What is On-line Registration?

On-line registration allows customers to register via the Internet for our classes and programs. The system is available to residents 24 hours a day, seven days a week, except during times the system will be taken down for maintenance (Wednesdays between 7-11 a.m.).

How do I use On-line Registration?

Individuals wishing to use our on-line registration technology must have an approved on-line account, which includes a login name and password. You must also have an account in good standing with the Community Services Department. If you have an account established, please follow the registration steps listed on page 5.

How do I request an On-line Account?

Please go to www.chandlerAZ.gov/registration and click on "Class Registration Procedures (Online)." Click on "Register Now." This will take you to the on-line registration page. Click on "My Account" at the top of the screen. This will bring you to the "Customer Login" screen. Click on "Click here to set up a new account for online registration." All fields must be completely filled out in order for us to approve your account. Submit your application. The Community Service Department will approve or deny accounts Monday through Friday, between the hours 8 a.m. and 5 p.m. Once your account is approved you will receive an e-mail informing you your account has been approved and will include your customer I.D. number and password. If your account is denied you will also receive an e-mail explaining the reason for the denial. If your account is approved, you are ready to log-on and register.

What website address do I access to register On-line?

www.chandleraz.gov/registration

What if I forgot my login name or password?

Call (480) 782-2640 between the hours of 8 a.m.-5 p.m. Monday through Friday and we will be happy to assist you. Please plan ahead and call before registration starts so that we may assist you promptly. If you wait until registration opens on Saturday, May 8, we may not be able to assist you before the start of registration.

What if I do not have an e-mail address or home computer?

You may visit any of the four Chandler Public Libraries to set up your free person e-mail account. A reference librarian can assist you. We also have scheduled our registration to start at 10 a.m., which allows individuals without computers to go to a public library or other agency and use their computers. For more information on how to establish a free e-mail address, call (480) 782-2803.

Can I have an On-line account and Touch Tone account?

Yes. Customers who have an existing on-line account will need to log into the system and change their current password to a numeric password. It's that simple. You now have the option of on-line or touch tone available to you.

Do I need a credit card to use On-line Registration?

Yes. In order to complete your on-line transaction(s) and confirm your enrollment you must pay by credit card. The City of Chandler currently accepts Visa and Master Card.

Why doesn't my registration work On-line?

There could be a number of reasons:

- ♦ The class is not open for registration at the time you are trying to register.
- ♦ Some classes require special registration data and therefore are not available for on-line registration. Classes that are not available for on-line registration will have a symbol of a crossed-out computer by the class description.
- ♦ You have not properly logged onto your account.
- ♦ The system is temporarily unavailable due to a large number of users at the same time or system maintenance. The City of Chandler addresses maintenance issues every Wednesday from 7-11 a.m.
- ♦ You or your child does not meet the minimum age requirement for the class. He/she is either too young or too old for the class.

Why do I get a "time out" or "time expired" error?

The City of Chandler web servers have a 45-minute clock. If you have been logged onto your account for more than 45-minutes you will receive this error. We recommend that you do not log onto your account before 9:45 a.m. on the first day of registration.

Do I need to sign a liability waiver?

Yes. There will be a liability waiver at the bottom of your registration receipt. It is your responsibility to sign the waiver, and turn it in to the instructor on the first day of class.

What should I do if my e-mail address has changed?

Please notify us if you have changed your e-mail address. Call (480) 782-2640, or send an e-mail to ParksAndRec@ci.chandler.az.us with your new address.

What if I am trying to register and it says, "Payee is not the correct age"?

There may be a couple of reasons for this:

- ♦ Your birth date is incomplete or you have left it blank and it needs to be added/corrected.
- ♦ You are outside the age specified in the class description. Remember on-line registration is age specific.

Medical emergencies will be handled on a case-by-case basis.

Customer Satisfaction Guarantee

The Parks and Recreation Divisions are committed to excellence by providing high-quality programs and services. Outdoor Education Programs

Mike Luketich, Recreation Coord. I, (480) 782-2730

Chandler Community Center

125 E. Commonwealth Ave.

Welcome to an Arizona summer!

The outdoors offers something for everyone, and the summer season, is still a good time to explore and enjoy the natural beauty of the Arizona outdoors, as long as you prepare. The Recreation Divisions for the City of Chandler and the Town of Gilbert have joined together to form the Chandler/Gilbert Outdoor Recreation Cooperative, which co-sponsors many of the outdoor recreation programs listed in this brochure.

Hiking

Expertise is not required in our program, but preparation is. Please, always bring the following items:

- Comfortable clothing
- Hiking boots
- Three quarts of water
- Hat or bandana
- Lunch, snack food
- Rain gear
- Remember, dress for the weather, but prepare for extremes

The outdoors is much more enjoyable if you're in good physical condition, please consider your capabilities. A parent or legal guardian **MUST** accompany every hiker under age 18.

Day Hikes

For all day hikes, you will have the opportunity to form carpools at the Town of Gilbert Parks and Recreation Office, 70 E. Civic Center Dr., which is just south of Warner Rd. and east of Gilbert Rd. Please park and come prepared to drive. High clearance vehicles are recommended. It is customary to reimburse the driver \$.06 per mile if you choose to ride with someone rather than drive yourself. Each hike costs \$15 (per hike).

Hike Leaders: Elaine Furimsky and Justin Kern.

Hike ratings:

A = 9 or more miles, with an elevation gain of more than 1000 feet.

B = 5 to 8 miles, with an elevation gain of 500 to 1000 feet

C = Less than 5 miles, with an elevation gain of 500 feet or less

WET BEAVER CREEK

Wet Beaver Creek is an oasis among the desert terrain of the Sedona area. With beautiful cool pools of water, it is a great place for hikers to cool off. The trail first follows an old jeep trail and then starts to climb for a short distance along the red rock canyon walls. Wet Beaver Creek was named in the top ten best swimming holes in the United States by National Geographic Explorer Magazine. Wear clothes that you can get wet in because we'll cool off before the hike back to the cars. This hike is 6 miles with 300 foot elevation gain.

HORTON CREEK

Ponderosa pine, oak, Douglas firs, alligator juniper and maple align this perennial creek. Shade abounds, as does cooler air, as the entire route is forested. At trails end, Horton Spring gushes from a hillside, supporting a pristine area of horsetails, mosses, giant Douglas fir and a promising population of trout. An elevation gain/loss of 1000' occurs along an easy to moderate grade. We will eat lunch at the spring and return via the same route for a total of 8 miles. Vehicle travel time one-way is approx. 90 minutes.

The hike will be about seven miles and gain about 1000' topping out around 10,000 feet.

National Trails Day June 5, 2004

The annual National Trails Day is commemorated in most parts of the country on the first Saturday in June. Because of the heat in June, we do things a little differently in Arizona. We are right in the middle of National Trails Season, which runs from April through June 5.

Trails and Health ... A Natural Connection

Hiking and walking can be a fun physical activity for you and your family. Adults should accumulate at least 30 minutes of physical activity most days of the week and children should accumulate at least 60 minutes most days of the week for health benefits. Including physical activity to your day can add fun and make you feel more energetic! A good activity could be a walk or hike with a family member, friend or even your dog.

Check out the miles and miles of walking paths and hiking trails in Chandler, especially at our spacious regional and community parks:

Aquatic Programs

Resident Registration Policy

Priority registration will be given to all Chandler residents registering for the following aquatic programs: summer swimming lessons and recreational swim team (Chandler Dolphins). Residents will be granted one week of priority registration for these programs or classes.

After one week, the registration process will be open to non-residents, if sufficient space exists in the program/class. Early registration timelines will be established. Resident registration priority will only be granted for one full week. Swim lesson registration will be cut off two business days prior to the start date of each swim session (i.e. If the lesson session is scheduled to start on June 7, the last day to register will be Wednesday, June 2). Participants wishing to register after that time will be required to use our late registration method.

Registration received after the registration deadline will be processed on a "first received, first handled" basis. We encourage residents to register early to secure enrollment!

Late Registration Policy

Late registration will be held at the individual pools on the Saturday prior to the start of each session. Registration is taken on a first-come, first-serve basis. Registration will be conducted during public swim hours. Please sign up at the pool in which you would like to take classes.

Park Projects

Desert Breeze Park Expansion

Residents of Chandler can look forward to the expansion of Desert Breeze Park this summer and fall. This 38-acre community park was developed in 1990 and is undoubtedly one of the most popular facilities in the community. Desert Breeze Park will expand 4.5 acres to include the following: a playground, shade/picnic ramada, walking paths, site furnishings, security lighting and landscaping. This project will be constructed in conjunction with the development of a new Police sub-station and Fire station.

Quail Haven Neighborhood Park Site

Residents living near Quail Haven Park can look forward to the development of this 10-acre neighborhood park. The site is located at 4675 S. Adams Ave., just north of San Tan Elementary School in southeast Chandler. Development will include the following: a playground, a shade ramada incorporated into the playground, picnic ramada, lighted basketball court, lighted multi-use court, lighted sand volleyball court, walking paths, site furnishings, security lighting, and landscaping.

Cool off this summer at the spray pads at Desert Breeze, Chuparosa and Espee parks.

Adopt-A-Park Program

Adopt-A-Park allows citizens, and particularly park users, to show pride in their community. It is set up for groups to visit the park of their choice on a regular basis to pick up litter and perform other tasks to help keep the park clean.

Local service and youth organizations, church and neighborhood groups can have fun while also providing a valuable community service. Groups can also win awards through this program.

By adopting a community park, residents are making their parks more beautiful, and are extending tax dollars by allowing City parks employees to spend their time on major renovation, repair, and maintenance work.

For more information on adopting a Chandler park, call (480) 782-2756.

Living Tree Donation Program

By donating a tree to the Living Tree Donation Program, you can help beautify our city parks while at the same time celebrating life by planting a tree!

You can plant a tree in tribute of a wedding, birth of a child, anniversary, or to honor the memory of a loved one. Just donate money towards the purchase of a special tree, or donate a live tree to the City of Chandler Parks Division. We will then arrange for the park site and planting of the tree, as well as the tree maintenance.

All living tree donations are tax-deductible. Call (480) 782-2753 for further information.

Park, Ballfield, Equipment Rentals

The following City of Chandler park facilities can be rented for various activities and events.
For more information, call the Community Center at (480) 782-2727 or the
